```
My Girl
```

```
C
                                                         BACK
                 С
I've got sunshine on a cloudy day
             G
                                                          С
And when it's cold outside, I've got the month of May
 G Am
       C D
  I guess you say,
          Am
 What can make me feel this way?
 My girl...
                         D7
  Talkin' 'bout my girl
        G
I've got so much honey the birds envy me
                                                                C
I've got a sweeter song (baby), than the birds in the trees
 G Am
        C D
  I guess you say,
         Am
 What can make me feel this way?
 My girl...
                         D7
  Talkin' 'bout my girl
      INSTRUMENTAL =>
      G
             С
                 Hey, Hey,
                               Hey
                                Am
                                      D
                Hey, Hey,
                              Hey
      (changes from key of "C" to key of "D")
I don't need no money, fortune or fame
                                                   D
I've got all the riches, baby, one man can claim
       D
 A Bm
  I guess you say,
          Bm
 What can make me feel this way?
 Α
 My girl...
               D
                         E7
  Talkin' 'bout my girl
  I've got sunshine on a cloudy day,
                                                                     E
I Even got the month of May with my girl, My Girl, My Girl
                      D
                              E
                                                             D
                                                                     E
            Α
Talkin' bout my girl
                                 Talkin' 'bout
                                                  my girl
                                   end on A
             Α
                         D
                              E
                                                      END
```
